Sileni Estates

— Hawkes Bay, New Zealand

A classsic, easy drinking Hawkes Bay Merlot.

Production

This wine is part hand-plunged, and part pumped-over during fermentation to aid in colour extraction and provide tannin structure.After a period of maceration on skins, the wine is pressed off and run into oak barrles for maturation.

Tasting note

A classic Hawkes Bay Merlot. This wine has Hawkes Bay's gravelly bedrock singing in the earthy serious notes of this gently stalky but very correct regional Merlot.

Food Match

Try with spare ribs, rich pasta dishes or braised beef.
