Aquamarine Sauvignon Blanc, Nelson 2023

NZF3502023

Boutinot New Zealand

— Nelson, New Zealand

A sublime expression of Nelson's bright, affirmative Sauvignon Blanc which is unique to this corner of New

Production

100% Sauvignon Blanc grown in vineyards across Tasman, Upper Moutere and Waimea Plains. Fruit was cold pressed to tank for fermentation with selected yeasts. Once complete,, the wine is settled and racked, and allowed to rest on fine lees for 8 months prior to slight filtration and bottling.

Tasting note

A nose of seagrass and pink citrus with light maritime salinity. The palate is concentrated with lime zest, green and red apple notes, and a rich mouthfeel. Fine texture and an intense finish with further telltale salinity.

Food Match

Seared scallops in butter, chilli prawn linguine, goats cheese and roast red pepper salad.
