Heaphy Vineyard

— Nelson, New Zealand

Neon Vineyards is New Zealand New Wave. Powerful, unapologetic, creative and ambitious. This range is what wine should be about. Questioning the status quo of what's happening in the country, it's meant to bring a new dimension to conversation about NZ. Get ready to land in uncharted territory and challenge your taste buds.

Production

Pinot Meunier Rosé joins forces with Montepulciano Red in a never seen before wine for a chilled, fruity, punchy red. We blend a press Pinot Meunier with a deep dark Montepulciano red, both unoaked for maximal flavours.

Tasting note

Super light, eerie and joyful. Notes of raspberry, hint of chocolate, deep Montepulciano that gives it a good spine. The Pinot Meunier just gives it a lovely lift in the end. That's what NZ is all about.
