Boutinot New Zealand

— Wine Of New Zealand, New Zealand

Picked from an old-block overlooking the Atlantic Ocean, Growing Pains is a medium bodied Cinsault from the Stellenbosch area.

Production

These old bush vines, hand-harvested, whole bunch, spontaneous fermentation, barrel-matured for ten months.

Tasting note

A lively nose of lemongrass, grapefruit and gooseberry. On the palate the wine is mouthwatering with subtle tropical hints of pineapple and passionfruit, and a lifted finish. Friendly and versatile wine.

Food Match

Delicious with green salad, or asparagus with a citrus vinigarette.
