JH Andresen 10 Year Old Tawny, DOC Porto (Gift Box) NV

PJH013NV

— Douro, Portugal

Andresen are masters of the Tawny style, and this 10 year old offers a window into their remarkable world of complex Port. This can be enjoyed all year 'round - serve slightly chilled in summer months.

Production

Tawny styles are blended from different vintages and aged in oak (typically small casks), where they undergo controlled oxidation. The characters and complexity of the older parcels, which have undergone oxidative ageing, are expertly blended with the brighter, energetic fresh fruit notes from the younger wines - to produce Ports that are lighter in colour, and have developed a characteristic nuttiness and mellowness alongside the dried fruit notes and vibrant acidity.The '10 year' statement represents the average age of the wines that have made up this Port.

Tasting note

Golden-brown in colour with nutty notes balancing the dark cherry and bramble fruit. Layers of dried fruits, fresh acidity and a hint of caramel on the palate lead into a long and fresh finish. Served slightly chilled. Once open it will keep fresh for several weeks.

Food Match

Enjoy with a cheese board or rich dark chocolate and caramel brownies
