Boutinot South Africa

— Western Cape, South Africa

he mindful way to mix things up. Switch up your drinking without missing out on flavour.

Production

Grown in lime-rich soils of the Breede River Valley, which contribute to the wine's bright, zesty character. Soft pressed and settled for 48 hours. Naturally fermented in stainless steel tanks and kept on the gross lees for 5 months prior to de-alcoholisation

Tasting note

On the palate racy citrus fruit combines nicely with a green apple note to create a very refreshing and drinkable low alcohol alternative

Food Match

Pan-seared fish with herbs, citrusy chicken dishes, crisp green salads, or gently spiced Asian dishes.
